## What Makes Our School Unique?

We believe that every child deserves an education. We believe that all children can learn though the rate of learning and style of learning varies for each individual. Our job at Neely's Bend is to help each child learn in the way that is best for him/her so that the end result is a joyful, independent, lifelong learner. The success of every child in school is the foundation upon which the success of our country is dependent. No child's future can be thrown away. We believe that we must take seriously the job we are doing because each person who comes through the doors at Neely's Bend is important. However, we must have the cooperation and assistance of parents and the community to do this job completely. We invite you to join us in a partnership which will lead to children who enjoy learning and who are on the road to becoming valuable members of society.

- ♦ City Road Methodist Church, 868-1673
- ♦ Interscholastic athletics
- ♦ Tutoring – Career Ladder teachers

## PENCIL Partners

PENCIL Foundation, a nonprofit organization, links community resources with Nashville public schools. A PENCIL Partner is a business or other community organization that teams up with a Metro school to volunteer time and donate resources that promote student success.

Neely's Bend has two PENCIL partners, Tennessee Christian Medical Center and BellSouth Two Rivers Council for Pioneers. Our partners assist us with student incentives, teacher appreciation, donations, and other support. We are very fortunate to have such outstanding partners.
