What Makes Our School Unique?

Whites Creek High School is totally committed to educating and nurturing all students in a safe learning environment to be highly competent, productive, and responsible. The school community accepts the responsibility to promote growth for students, teachers, staff, administrators, and parents in an effort to produce lifelong learners. We want all students to develop the capacity to think critically and communicate effectively through the mastery of concepts reflected by the educational standards recognized by our district. Whites Creek High School accepts the charge given by this community to do everything possible for our school district to be the top-performing district in the nation.

Who Attends Our School?

Students attending Whites Creek live in the northwest corner of Davidson County. The elementary schools in the Whites Creek cluster are: Bordeaux Enhanced Option, Cumberland, Alex Green, and Joelton. The middle schools in this cluster are Ewing Park, Haynes Design Center and Joelton (Middle).

Community Partners
